Our MTI R/P Catamarans, of various sizes, have been designed to provide the customer with the safest experience and the best high performance boat available. Our boats speak for themselves after new customers come for a sea trial. Since 1999, we have consistently delivered the easiest to drive, best handling and best performing catamarans. Built with safety in mind, our boats are built to the highest standards while at the same time, bring the ultimate in luxury for the performance boater.
