[Limitless Options]

Modeled after our successful World Champion race boats, the 48 R/P offers jaw dropping performance both in the corners as much as in a straight line. The 48 R/P offers quick and nimble handling, yet in a size that easily tames the sea. The 48 R/P is a very popular model for customers and each new build continues to exceed expectations. The G6 cockpit can be configured with 6 or 8 seats to suit your boating lifestyle.
